RE-APPOINTMENT OF AUDITOR;
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to give you the notice of the Annual General Meeting and the following proposals to be put forward at the Annual General Meeting: (a) granting of the Issue Mandate to issue Shares and the Repurchase Mandate to repurchase Shares; (b) the re-election of the retiring Directors; and (c) the re-appointment of auditor.

LETTER FROM THE BOARD

GENERAL MANDATE TO ISSUE SHARES

At the annual general meeting of the Company convened on June 28, 2024, ordinary resolution was passed for the granting of general mandate authorizing the Directors to allot, issue and/or otherwise deal with the Shares not exceeding 20% of the number of issued Shares as at that date, which is due to expire at the conclusion of the Annual General Meeting.

In order to ensure flexibility and give discretion to the Directors to issue any new Shares when the Directors consider desirable for the Company to do so, approval is sought from the Shareholders at the Annual General Meeting, pursuant to the Listing Rules, for the grant of the Issue Mandate to the Directors to issue Shares. At the Annual General Meeting, an ordinary resolution numbered 4(A) will be proposed to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with the additional Shares not exceeding 20% of the number of issued Shares as at the date of passing of the Shareholders' resolution in relation to the Issue Mandate for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable law(s) or the Articles of Association to be held; or (iii) revocation or variation of the Issue Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

As at the Latest Practicable Date, 313,389,171 Shares have been fully paid and issued. Subject to the passing of the ordinary resolution numbered 4(A) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue a maximum of 62,677,834 Shares.

In addition, subject to a separate approval of the ordinary resolution numbered 4(C), the number of Shares repurchased by the Company under ordinary resolution numbered 4(B) will also be added to extend the Issue Mandate as mentioned in ordinary resolution numbered 4(A) provided that such additional number of Shares shall represent up to 10% of the number of issued Shares as at the date of passing the Shareholders' resolution in relation to the Issue Mandate and Repurchase Mandate. The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to the Issue Mandate for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable law(s) or the Articles of Association to be held; or (iii) revocation or variation of the Issue Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

LETTER FROM THE BOARD

GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company convened on June 28, 2024, ordinary resolution was passed for the granting of general mandate authorizing the Directors to repurchase the Shares not exceeding 10% of the number of issued Shares as at that date, which is due to expire at the conclusion of the Annual General Meeting.

In addition, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the number of issued Shares as at the date of passing of the Shareholders' resolution in relation to the Repurchase Mandate for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable law(s) or the Articles of Association to be held; or (iii) revocation or variation of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

As at the Latest Practicable Date, there were 313,389,171 Shares in issue. Subject to the passing of the ordinary resolution numbered 4(B) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 31,338,917 Shares pursuant to the Repurchase Mandate.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

In accordance with article 16.19 of the Articles of Association, Mr. Silvio Rudolf SCHAFFNER, Mr. Arthur Crosswell BUTCHER and Ms. June CHANG will retire by rotation, and being eligible, have offered themselves for re-election as Directors at the Annual General Meeting.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares was 313,389,171 Shares of nominal value of US\$0.00001 each which have been fully paid. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or purchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 31,338,917 Shares which represent 10% of the issued Shares during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable law(s) or the Articles of Association to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting of the Company revoking or varying such mandate.

REASONS FOR AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase its Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of a new issuance of shares made for the purpose of the repurchase or, if authorized by the Articles of Association and subject to the Companies Law, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles of Association and subject to the Companies Law, out of capital.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchases would be in the best interests of the Company. The Directors believe that if the Repurchase Mandate is exercised in full, it may not have a material adverse impact on the working capital and gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at December 31, 2024, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

GENERAL

The Company may cancel such repurchased Shares or hold them as treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates, have any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

The Directors, so far as the same may be applicable, will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands. Neither the Explanatory Statement nor the Repurchase Mandate has any unusual features.

No core connected person has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Ms. Jing LI is deemed to be interested in 36,127,456 Shares through Cosmic Elite, Nexus Partners Group Limited, Vistra Trust (Singapore) Pte. Limited and Sino Fame under the SFO, representing approximately 11.53% of the issued Shares. In the event that the Directors should exercise in full the Repurchase Mandate, such interests will be increased to approximately 12.81% of the issued Shares.

To the best knowledge and belief of the Directors, such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued shares of the Company would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company during the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months immediately preceding the Latest Practicable Date were as follows:
